Re: National FOP Board of Trustees Meeting, State Presidents Meeting, Legal Defense Plan and FOPA

We are excited to be hosting the National FOP Board of Directors, State Presidents, Legal Defense Plan Board of Trustees, National FOP Auxiliary and other Lodge leaders from across the country in Charlotte for the Fall meetings. North Carolina has enjoyed hosting the National FOP's Diversity Summit over the past two years in Charlotte, but we have not hosted a National Board meeting in many years. We are delighted to have this opportunity to host you this Fall and our State Lodge has pledged to do our very best to make your attendance in North Carolina for these meetings an enjoyable and memorable experience, both for you and others from your State who will be attending. So, on behalf of our State Lodge Executive Board, welcome to Charlotte!

Rest assured; Charlotte is a FOP city. Our Charlotte FOP Lodge is the largest in the State with 2,000 members serving in almost every police department in the county. Members from our Charlotte lodge along with members of the NC State Lodge Executive Board will be on-site during the meetings to assist with any issue which may arise.

We are still working on finalizing our events package but we are going to do our best to provide you with a good location each evening, Wednesday – Saturday, for hospitality and networking. We also have a field trip planned to Hendrick Racing for a tour and dinner. Additionally, we continue to explore other possible options which we think you would enjoy.

Please let me know if there is anything our State Lodge can do to make your visit more enjoyable.

See you in September!

Randy Hagler

NCFOP State President
